EXPERIENCE

2024 – Present
Full Stack Web Developer
Self Employed

Developed multiple full-stack web applications and systems using JavaScript, Node.js, React, and MongoDB. Built custom APIs, integrated authentication, designed responsive interfaces, and deployed projects for personal use and client work.

2019 – 2020
Digital Technician
Oldham College

Responsible for completing technical tasks on a daily basis and assisting students or staff members, as well as the maintenance of the devices.
Data management was also a key part of my job.
